

APPENDIX 1 COMPETENT PERSON'S STATEMENT

The information in this announcement that relates to the Rothsay Mineral Resource is extracted from the announcement titled "Rothsay Increases to 454,000oz at 9.2 g/t Au" lodged on 27 November 2018 which is available to view at www.eganstreetresources.com.au and www.asx.com.au. The Company confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement and that all material assumptions and technical parameters underpinning the Mineral Resource estimate continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcement.

The information in this report that relates to Ore Reserves for Rothsay is based on information compiled by Mr Gregory Winder. Mr Winder is a full-time employee of EganStreet Resources and is a Member of the Australian Institute of Mining and Metallurgy (MAusIMM, #208353). Mr Winder has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity currently being undertaken to qualify as a Competent Person as defined in the 2012 Edition of the "Australasian Code of Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr. Winder consents to the inclusion in this report of the matters based on this information in the form and context in which it appears.
